

I RISE TO REMARK

BY JOHN PHILIPS

This column has mentioned the mass of information which pours out of a government agency, whenever some matter of importance to that agency is before the Congress. The state department is no exception; quite the reverse! It occurs to me that one of the principles, on which centralized government works, is the obvious fact that the people of a nation do not have time enough to read this material, nor do the members of its legislative body.

Thus a government agency can ignore the facts set down in some report, and can issue its own statements, with knowledge that few people will challenge them.

I have before me, Volume I of the general report of the committee of European Economic Cooperation, issued in Paris September 21, 1947, and printed by our own department of state. This is the report of the Paris conference of Foreign Ministers, on which the so-called "Marshall Plan" was based. This became ERP, passed by the Congress and signed by the president April 3, 1948. It is now known as ECA; Economic Cooperation Administration. I rise to remark that it takes a bit of watching to follow the changes in the Washington alphabet soup.

Turn to page 125; Annex D, numbered paragraph 4: I quote, "Questionnaires were sent to all participating countries," to find out how much they wanted from the United States, that is, "No reply was received from Iceland." As a matter of fact, Iceland did pretty well by herself during the war. She didn't think she needed U.S.A. dollars. However, Iceland is down for \$7,000,000 from ECA. The population is about 100,000 about as big as Riverside county. That's 7 million dollars for a country with as many people as Riverside county, that thought it didn't need help.

Look again: "The Portuguese government informed the conference that unless an abnormal amount of dollars takes place . . . Portugal has sufficient dollars for the necessities of its economies in the immediate future." That's diplomatic language for saying she didn't need U.S.A. help. So Portugal is to get \$150,000,000 — isn't that the amount?

Read further: "The Swiss government . . . reported that its net income (from certain sources) approximately offset its deficit on visible trade." Consequently, said the foreign ministers, "No net deficit has been assumed for Switzerland." However, ECA expects to send over \$500,000,000.

Turn to Volume II of the report, pages 466 and 468: "The position of Belgium is a healthy one. Belgian currency is sought after on the open market. Monetary circulation is backed by gold (U.S. papers please copy!) and currency assets to the extent of about 50 per cent. All these factors are favorable," so Belgium is to get \$300,000,000 from ECA.

Norway was reported, in the conference, to have "vast dollar incomes from shipping." This was not in the report, but is quoted from one of the conferees. I suppose that is why Norway is only getting \$2,000,000 from ECA.

The administration is now about to ask for \$3,000,000,000 (that's three thousand million dollars) of our gold reserve to send to Europe to implement the ECA - ERP - Marshall Plan - European recovery, or whatever you've been calling it. In Paris, that was tied tightly to the plan. On December 3, 1947, an AP release from Washington said frankly that the administration had decided against asking right then for that money, for fear that ERP might run into difficulties with American public opinion if it (ERP) was coupled here (as in Paris) with the demand for the shipment of \$3,000 million of our gold stock. That is in addition, of course, to the \$6,800,000,000 authorized in ERP and now before a subcommittee of the Committee on Appropriations.

Mr. and Mrs. Henry Davis and two sons, William and Henry, of Crescent Ave., were Sunday dinner guests at the home of Mr. and Mrs. Earl Sartwell.

Soft Ball And Night Games On School Grounds

Members of the school board met Tuesday night with the Recreation park committee to discuss the advisability of moving the playground lighting system at the school to the recreation park site. Due to construction of the new school buildings some of the lights will have to be taken out and the size of the playground curtailed. However, it was stated by Dan Mackey, clerk of the board, that they are negotiating for additional school property which will greatly enlarge the playground with plenty of space for night ball so it was decided to keep the lights at the school.

Los Alamitos Legion Auxiliary Plans Dinner

At the recent meeting of the American Legion Auxiliary, plans were made to sponsor a public dinner on Thursday evening, April 29, at 7 o'clock, in the Laurel school. Proceeds will be used in the unit's child welfare and community service program. Mrs. Louis Aguilar, welfare chairman, is in charge of the affair and announces that an entertainment and program will follow the dinner. Tickets may be secured at Carter's Variety Store and the Monte Vista Cleaner shop.

To fill the offices of secretary and historian, left vacant by the resignations of Mrs. Faye Ellis and Mrs. Otto Turley, Mrs. Paul Beeman was elected as secretary, Mrs. Ray Oliver, Sr., historian and Mrs. Kenneth Reynolds, executive committee woman.

Mrs. Frank Watte, poppy chairman, announced the closing of the poppy poster contest with prize winners to be announced at the next meeting. Appropos of the distribution of poppies on May 21 and 22, there will be a display in the window of the local variety store.

By-laws, which will be adopted at the next meeting, were read for the first time. Each member plans to make a pair of scuffles and a hospital mask for use in some veteran's hospital in answer to a request for the same from San Francisco.

Hostess committee for the evening was Mrs. W. Badgett and Mrs. Al Little.

Queen Contest Sparks Anaheim Progress Week

Though beauty is not one of the requirements for entering Anaheim's Civic Progress week queen contest, the four girls entered to date have enough of that commodity to help them sell plenty of tickets to the Exposition. The girl who sells the most will win for herself a complete ensemble, a beautiful diamond wrist watch, an engraved award and an orchid corsage.

The contest is still open to any Orange county girl of 16 or more who applies to the Anaheim chamber of commerce office with a picture of herself. The four runners-up will serve as the queen's attendants during Civic Progress week. Their awards will be evening clothes, orchids, and cash gifts. Other young women entering the contest will win cash gifts based on the number of admittance or drawing tickets they sell to the Civic Progress week Exposition.

Girls may get their tickets in the Anaheim chamber of commerce office when they apply and will receive bonus points for turning in money each Monday afternoon up to May 1, closing date for the contest. Organizations are invited to sponsor contestants.

FIRE PHONE FOR LOS ALAMITOS AREA
In the Los Alamitos area, for fire only, call 301449, and stay on the line until the phone is answered. For other business with the fire department, call 35685.

Protection From Peddlers Planned For Cypress

The Breakfast Club, local business men's group, held its meeting Tuesday morning at the Pine Cafe, with President Frank P. Noe presiding. After a delicious meal which included ham and eggs and hot biscuits, the president introduced two guests from the Business Men's association of the Buena Park chamber of commerce, Franklin Sullivan, chairman, and Marvin Wangrud.

An outline of a plan was presented by the two men representing the Buena Park group, which is being put into operation to check on peddlers and solicitors and require a card of approval before canvassing with their "wares." Not only is such a plan a protection to the local men with businesses of their own, but it is a definite boon to housewives who must answer their doorbells throughout the day and into the evening for salesmen selling a variety of articles. If there is any question in the mind of the person answering the door, she may ask to see the card which gives permission for the vendor or solicitor to make his calls and shows that the local business men feel that the request to sell is legitimate. The Cypress businessmen voted to adopt a similar plan with the Buena Park business men's organization.

A short report followed by Russell Flynn regarding progress on a baseball area in the recreation park which is being worked on for the local enthusiasts, both as players and spectators. A more full report will be given at the next meeting. Lee Stradley spoke briefly in behalf of a bowling team composed of local merchants. The meeting was adjourned promptly at eight o'clock.

Clean - Up To Avoid Fire Hazard

Fire loss in this country is naturally at its peak during the winter, when heating plants are being used to the limit. But the approach of the warm season brings special and very dangerous hazards.

Many homes and businesses have been destroyed because the grass wasn't cut on adjoining vacant property and caught fire. Every community should have a suitable law in this regard and enforce it strictly and impartially.

Carelessness in burning rubbish during dry days takes its share of the toll. Such fires should never be left unattended. And some means of controlling or quenching them if they threaten to get out of hand should be immediately available.

Spring and summer will witness a tremendous increase in tourist travel through the rural areas and timbered country. Millions of acres of splendid timber have gone up in smoke, leaving nothing but an ugly, scarred landscape as a memorial, because people have thrown burning matches and cigarettes from cars, and because campers haven't made absolutely sure that their fires were out before moving on. These crimes of carelessness are covered in the law — but police and forest officials can't be everywhere. Fire prevention, in all its many phases, is up to the individual.

When spring clean-up week comes in Cypress, do a real and thorough job of it. Get rid of the junk and the refuse. A clean house and clean premises mean fire prevention.

OUR DEMOCRACY—by Mat

PLENTY OF "GET-UP-AND-GO"
AMERICA OWES MUCH TO THE QUALITIES SUMMED UP IN THE EXPRESSION "GET-UP-AND-GO."

THROUGH THESE QUALITIES—INITIATIVE, SELF-RELIANCE, THE WILL TO WORK—AMERICA HAS WON TODAY'S HIGH STANDARD OF LIVING—AND PROTECTION FOR ITS FAMILIES IN THE YEARS AHEAD THROUGH LIFE INSURANCE AND SAVINGS.

AMERICAN "GET-UP-AND-GO" HAS MADE US STRONG—AND POINTS THE WAY TO FUTURE PROGRESS FOR OUR DEMOCRACY.

OPEN FIRE PERMITS ARE NOW REQUIRED
In the Los Alamitos area, burning permits for open fires are now required. Call 35685, according to Ray H. Baker, Chief.

Notice To Veterans Eligible To Join V.F.W.

All men who have seen foreign service with the armed services are invited to join with a group interested in organizing a branch of the Veterans of Foreign Wars in Cypress. A meeting will be held Wednesday evening, April 28, at eight o'clock in the Cypress school house.

Although this movement is being instituted by residents of Cypress Manor who are eligible, an invitation is extended to all in the community who are interested in joining and meet the requirements for membership.

Death Comes To Former Resident

Word has been received of the death of J. R. Minnick, a former resident, at the home of his son, D. L. Minnick, in Richmond, on April 13. Mr. Minnick had the misfortune to fall and break his hip some time ago and due to the advanced age of 90 years, he never fully recovered. At his bedside when death came were his wife to whom he had been married 63 years, his son and daughter-in-law, Mr. and Mrs. D. L. Minnick, with whom he made his home; another son and daughter-in-law, Mr. and Mrs. Howard L. Minnick of Cypress; and a daughter, Mrs. Robert Higley of Pasadena. Another son, Earl Minnick, was unable to arrive before the end came.

Other survivors are a daughter, Mrs. Robert Cope, of Columbia, Missouri; a son, Maurice Minnick of Stanton, Iowa; four granddaughters, Mary Katherine and Helen Minnick of Washington, D. C., and Elizabeth and Jane Minnick of Ontario.

The body will be taken to Columbia, Mo., for funeral services and burial by the widow and Mrs. Higley. Mrs. Minnick will remain in Columbia to make her home with the Robert Copes.

Alamitos Club Changes To Breakfast Hour

At the Thursday noon meeting of the Business association which met at DeBryn's cafe, it was decided to meet hereafter for breakfast. Instead of paying the exact cost of the meal, each member will pay \$1 each meeting with the surplus to be placed in a special fund to be used for social purposes when enough funds have accumulated.

A baseball team for Los Alamitos will be sponsored by the group and the baseball uniforms have already been ordered. The publicity committee reported its intention of getting out a card similar to telephone cards, which will have a map of the town, with the business houses numbered and the key to the numbers printed below.

The next meeting will take place on April 22 at 7 o'clock at DeBryn's cafe.

Los Alamitos Fire Station Opens May 8

The first annual firemen's dance and dedication of the newly completed fire station at the corner of Green street and Los Alamitos boulevard will take place Saturday, May 8, in Los Alamitos.

The fire department will hold open house from one p.m. to four p.m., and the dedication program is scheduled for six to eight p.m. in the evening there will be a dance, with music furnished by the Los Alamitos naval air station band. Refreshments will be served and the firemen will be assisted by members of the fire department auxiliary.

The fire department was organized three and one-half years ago and the present property was bought by the volunteer firemen. The building was constructed by the county, with volunteers working weekends and evenings to hurry its completion.

Recently the department was the happy recipient of a new fire truck and with a few exceptions, it now was a very well equipped and properly maintained fire station and truck.

This event promises to be a big affair as many tickets have been sold for the dance, and a large crowd is anticipated.

This and That From hereabouts

Orange county's professional summer theater at Tustin, "Holiday Stage," will begin a ten-week season June 28. Under the management of Harold Turney and Norman Mennes, co-owners, with Ken Carmichael employed as the new director of public relations, the professional summer stock company is planning for a full season of delightful entertainment.

Recently negotiations were closed with Katherine Cornell for the loan of Oliver Cliff to play not more than five leading roles between the opening date and September 4. Under exclusive contract

OLIVER CLIFF

to Miss Cornell, Cliff is appearing this winter in her revival of Shakespeare's "Anthony and Cleopatra." Earlier he had supported the star in three of her greatest presentations, "The Barretts of Wimpole Street," "Claudia," and "Antigone." At the Holiday Stage last summer, Cliff interpreted roles in "The Glass Menagerie," "The Royal Family," and "Blithe Spirit;" and supported Sterling Holloway in "Three Men on a Horse" and "The Milky Way."

Returning to Holiday Stage for a second season, is Mary Finney, versatile young character actress. Miss Finney was born to the stage and has spent most of her lifetime wearing grease paint. Her parents were vaudevilleans and she was cradled in the traditional dressing room trunk. She traveled with her parents until she learned to swear, she relates, and then was hustled off to a convent as a more

MARY FINNEY

suitable environment for a growing girl.

Also signed to appear this summer is June Shafer, versatile young character player and comedienne, who was seen last year in a variety of roles including Oliver Cliff's sweetheart in "Petticoat Fever," Sterling Holloway's wife in "Three Men on a Horse," and Tom Drake's housekeeper in "Night Must Fall."

Four more performances remain in the 21st season of Ramona, the historic early California pageant-play being staged at Ramona bowl near Hemet. These afternoon performances will be played this coming Saturday and Sunday and again on May 1 and 2. This season's production is being called the 1948 centennial production of "Ramona," in keeping with California's centennial theme.

Ojai Festivals, Ltd., which plans to establish this country's first international music, theatre and dance festival in California, will present two weekends of preliminary performances, May 21-23 and May 28-30, at Nordhoff auditorium, Ojai Valley, Ventura county. One of the many highlights which will attract music lovers to the exquisite valley this spring is Nora Kaye, prima ballerina of Ballet theatre, one of America's leading dance organizations.

A large percentage of veterans have failed to name a beneficiary for their National Service Life insurance under the revised laws, it has been announced by Ben Lieberman, county service officer and director of veterans affairs of Orange county. Veterans may obtain complete information on conversion and other insurance items in the Orange county veterans service center located at 225 North Broadway, Santa Ana.

The state of California will play springtime Santa Claus to the cities and counties to the tune of \$55,779,335 during the month of April, when state controller Thomas H. Kuchel will affix his signature to warrants totalling that amount for the 58 counties and the 303 cities of the state.

Presentation of awards to six world's champion cowboys, an event in rodeo history, will be a special feature of the 32nd annual California rodeo at Santa Ana June 17 to 20. Buckles will be awarded to the 1947 International Rodeo association world's champion bronco rider, bareback rider, bull rider, steer wrestler, steer roper, and calf roper. Salinas will be the first rodeo at which all these championship awards have been made. In addition to the cowboy championship awards, the big four-day show will be studded with colorful special events.

The all-Southern California high school orchestra, which has just completed a successful tour of Northern California, will present a concert on April 23 in Fullerton as part of the 1948 California festival sponsored by the California School Band and Orchestra association, Southern District. The concert will be held in the Fullerton high school auditorium in the evening. The orchestra is under the direction of Purcell Mayor, of Glendale high school.

Veterans who are buying homes or farms under the provisions of the California Veterans farm and home purchase plan may obtain advance loans from the Department of Veterans affairs for repairs, correction of deterioration and for altering or remodeling dwellings. Applications for advance loans may be made at 225 North Broadway, Santa Ana, from 9 to 12 on Friday mornings only, or 201 Hartwell building, 19 Pine avenue, in Long Beach.

Santa Monica will be on the air this summer with the latest beach weather conditions broadcast directly from municipal pier, over special wires of radio station KOWAL, 1580 KC. The city will broadcast beach weather five times daily, including Sunday at 8, 9, 10, 11 a.m. and noon, until September 30.

The bureau of naval personnel has recently announced that both officer and enlisted Waves are now eligible to train with naval reserve squadrons at their regular meetings twice a month and receive four days' pay for these two meetings. There are available at the naval air station, Los Alamitos, billets for 43 Wave officers of various ranks to serve with the air groups and squadrons based at the station in administrative capacities. These same squadrons and air groups have available billets for 110 enlisted Waves who formerly held aviation ratings. The recruiting office at the Los Alamitos base is open every day but Monday from 8 a.m. to 4:30 p.m., and can be reached by telephone at Long Beach 3631, extension 41.

CALENDAR

Organizations wishing to have meetings or special events listed in this weekly calendar are invited to contact the News office with their information.

SATURDAY—APRIL 24

LET'S KEEP THE LAMPS BURNING

In a world torn with strife and political unrest, Cypress will pause during the week of April 26 to pay homage to "the little red school-house" and its bigger brother in the metropolitan areas. The occasion will be the state-wide observance of the 29th annual Public Schools Week.

Public Schools Week has become an accepted institution in our civic life. Its purpose has been to bring the schools, their work and the teachers and students into closer touch with the public.

Curiously enough, there is a close parallel between the condition prevailing in 1920 that brought about the inception of Public Schools Week and that of today. At that time the schools faced a shortage of teachers. Many schools, especially rural schools, were being closed because of a lack of teachers. Today there is not only a shortage of teachers, but many communities are faced with capital investments in replacing run down or outgrown school plants.

Throughout California, during this special week, teachers and their students, with the cooperation of various civic and fraternal organizations, will present special programs and the public in general will be invited to take advantage of this week of "open house" in order that there may be a better understanding of the schools, their work and their problems.

Certainly in the world as it is today the public schools of America take on an added importance to a free people, for it is in the classroom where the lamp of democracy is first lighted for the youth of our land. Through better understanding this lamp can continue to grow in the light it sheds and the strength it gives to people groping in a world threatened by the overshadowing darkness of despotism.

LOS ALAMITOS

The monthly meeting of the Laurel Parent-Teacher association executive board took place one evening last week, preceded by a pot luck supper. Attending were the principal, Jack Weaver, and Mesdames Marjorie Moore, Wava Smith, Ruby Houston, Ruby Fanning, Dorothy Mitchell, Florence Layton, Opal Gaa, Cleo Ard, and Pauline DeWitt.

Mr. and Mrs. Charles Hancock of Long Beach have the honor of being the first family to move into their newly completed home in the Alamo Ranches subdivision. Others are now following suit and several new students have enrolled in the Laurel school.

Mr. and Mrs. Elmo A. Dunn and son, Robert, were recent dinner guests in the home of Mrs. Dunn's sister, Mrs. Arene Dean in Torrance.

Several permits for new homes have been issued recently. Charles McGary will build a house on Farquhar street and a duplex will be erected on Chestnut street by R. G. Meyer. Another duplex will be built on Reagan street by James Lewis and a dwelling on Katella street by Clarence Steffan.

Lt. and Mrs. W. A. Grondahl and two sons have left for Olmsted Field, Middletown, Pennsylvania, where Lt. Grondahl will be stationed with the Army Air Force.

Mr. and Mrs. James W. Burkey and three children, who formerly lived on Florista avenue, have moved to their new home on Cozzina avenue, Parkwood Village at Chino.

Mr. and Mrs. Leo Dunn were recent dinner guests in the home of Mr. and Mrs. Ralph R. Ripple in Compton.

Mr. and Mrs. Nola Crittenden and son, Harold, spent Sunday at the home of friends in San Diego.

Sunday callers in the Ray Cue home were Mr. and Mrs. W. T. Tedrick and daughter, Marjorie, of Los Angeles; Mr. and Mrs. Leslie Wells and two daughters of Bell; and Mr. and Mrs. Don Bosendaugh of Long Beach.

Staff Writer

California Feature Service

That thunderous booming heard for miles along California's world-famed beaches is not the wild waves crashing.

It's Jap mines coming ashore after two years of bobbing around in the blue Pacific.

According to Navy estimates 35,000 of the orphaned balls of TNT were cast adrift before American mine sweepers moved into Japanese waters. Since V-J Day, thousands have been picked up playfully by the Japanese current that warms our shores and sent swirling eastward to bowl along the Pacific coast from Alaska to Mexico.

With summer and the tourist season just ahead, California is eyeing the Navy warnings and wondering. It takes about two years for the spiked steel globes or high explosive to make the trans-Pacific crossing. Some sing enroute, to the bottom of the sea. A few have bumped against ships and sent them down. Others have been sighted and demolished by the Navy or Coast Guard. But too many have completed the voyage, and recent stormy winter months have brought them in, in increasing numbers.

It is believed that within a year or two all the mines will be ashore that are going ashore. Meanwhile, with one eye on the mines and the other on the paying guests who come from afar to bask on the beaches, California is wondering how seriously the beach territory will be plagued this summer by the deadly baubles labeled "made in Japan."

However damaging their presence may be, California wishes for a third eye today to watch a blacker menace to that same beach territory. It's labeled "made in Washington."

It consists of 1200 miles of "No Trespass" signs set up by the U.S. Supreme Court on the coastal strip proclaiming California has no right or title to its 3-mile-wide Pacific borders!

Even with shell holes, this state's long stretch of ocean beach remains one of the most glamorous, and valuable strips of land in the world today.

So, with horned death invading on one side, and the federal government on the other, Californians are forming their lines to keep it—shell holes and oil.

Dinner guests in the Nola Crittenden home on a recent evening were Mr. and Mrs. Louis Craig and two daughters of Los Angeles and Mr. and Mrs. D. L. Crittenden and sons from Long Beach.

Mr. and Mrs. A. E. Davis are enjoying a new Nash car and are anticipating a trip to Florida in the near future.

Mrs. Donna Van Auker and infant son, who have been visiting in the home of the Leo Laytons, have returned to their home in Portland, Oregon. Mrs. Van Auker and Mrs. Layton are sisters.

Mr. and Mrs. Nick Leif of Hibbing, Minnesota, have moved into their new home on Howard street.

Mrs. A. T. Bedworth of Denver, Colorado, has been a guest in the home of her daughter, Mrs. E. G. Clifford and family.

Leaving Saturday noon, accompanied by their committee men, M. W. Robinson and A. M. Mitchell, the Los Alamitos Troop of Boy Scouts enjoyed an overnight trip to Trabuco Canyon. Making the trip were Fred Robinson, Ronald Hawkins, Johnny DeBruyn, Reinhardt Meyers, Sonny and Smoky Ard, Lloyd Mitchell, Harold Crittenden, George Enneman and Richard Mehren.

Mr. and Mrs. Jimmie Davidson of Long Beach and Mr. and Mrs. John Phillips of Artesia are now occupying their new homes recently completed on Farquhar street.

Guests entertained at luncheon in the home of Mrs. Opal Daniels in Brea were Mrs. Harriet Eisle, Mrs. Athle Jacobs and Mrs. Jack Fleming, all of Los Alamitos.

Members of the Cub pack took part in a field day with Cubs in the Cypress Elementary school on a recent afternoon coming home with a goodly share of honors. Participating in the events were Sammy Wright, Billy Adams, Jimmy Badgett, Billy Poe, Leroy Sjöstrom, Shorty Ard, Tommy Gaa, Dave Smith, Tommy Kerr, Darwin Wokefield, Nelson Owens, Deanie Dillon, Bruce Thomas, Philip Davis, Richard Smith, and Joe Mehren. Accompanying the group were the Cub master, Marvin Smith, Mrs. M. L. Fanning, Mrs. Owens, Mrs. Opal Gaa, Mrs. Alva Mitchell, Mrs. Cleo Ard and Mr. and Mrs. A. L. Kerr.

Dinner Party For
Kenneth Sisco

The birthday of Kenneth Sisco was marked by a dinner party given by his sister, Mrs. Imogene Vines at her home at 7642 Santa Fe avenue.

An elaborate birthday cake served both as a decoration and dessert. The guests were Mrs. Lella Campbell and her grandchildren, Carol and Drew Kirk, Mr. and Mrs. Bud Campbell, Mr. and Mrs. Carl Adamson, Mrs. Lorene Finney, the host couple, Mr. and Mrs. Vines and their daughter, Lila Ruth and the honoree, Kenneth Sisco.

Local Pair Wed In Quiet Ceremony

The parsonage of the Cypress Church of the Nazarene was the setting for a quiet wedding ceremony Friday evening at 6:15 o'clock which united in marriage Donald Leon Ferguson and Miss Carrie Stamper, both of this community. Rev. Eric Jorden officiated the double ring rites which were witnessed by only the members of the two families.

The bride was very attractive in a pink suit dress with which she wore black accessories and a small hat of pink flowers and a tiny veil. Her corsage was of gardenias. The couple were unattended.

The newly married pair left immediately after the ceremony for a brief honeymoon at an undisclosed destination. They plan to live in a house trailer parked at the Ferguson home on Crescent street until they can build a house.

The bride is the daughter of Mr. and Mrs. K. Stamper of Muncie, Indiana, and came to Cypress a year ago to visit her brother-in-law and sister, Mr. and Mrs. Curt Tartar. The bridegroom is the son of Mr. and Mrs. Ocie Ferguson and received his schooling in the Centralia school and Anaheim high school. He is employed by the Darnell Corporation in Long Beach.

Need New Members For Farm Group

The present officers of the Cypress-Magnolia Farm center were elected to serve for another term at a meeting of the unit Thursday evening. Retaining his office as chairman is Ed Cook; vice chairman, Bob Cole; secretary, Al Mitten; and treasurer, Brent Wahlberg.

Cecil Marks, Orange County Farm Bureau secretary, reported on the progress of the county-wide sanitation program which was followed by a spirited discussion. A show of hands indicated the majority of those present favored the "skeleton" plan for this district with the tax rate of 12 cents per \$100 valuation of property.

The health and hospital insurance plan for farm center members was explained and those interested or desiring more information may contact the Farm Bureau office at Orange. An invitation to attend the open house of the West Anaheim Fire station was extended to the farm center members. Ed Cook announced a few new members were needed to fill the quota of the local center.

The guest speaker gave his listeners first hand information of condition in western Europe. En-

Making up a party who enjoyed the performance of the Ramona Pageant at Hemet last Sunday were Mrs. R. C. Cawthon, Mrs. Len White, Mrs. A. H. Stempel, and Mrs. M. A. Williams. They stopped at Corona on the way home for dinner.

MRS. OLIVE WILLIAMS

PHONE AN 28279

Mr. and Mrs. Calvin Fields, 8611 South Walker street are the parents of a six pound three ounce son born in Anaheim Community hospital on April 19.

Lt. O. L. Logan of the U. S. Navy who has been visiting his brother-in-law and sister, Mr. and Mrs. Earl Essex, for the past two weeks, left Wednesday morning for San Francisco where he will receive a new assignment.

Although no details could be learned, permits have been issued to the Whitelock Corporation for the construction of five stores, including a market, on the property west of the Frank Noe residence and across from the Cypress school.

Guests in the A. H. Stempel home on Saturday were Mrs. Mary Zupen, a cousin of Mrs. Stempel, and Mrs. Rose Shea, both of Price, Utah. They are planning to make their home in Los Angeles.

Returning home Tuesday in a new Packard convertible coupe from a three weeks trip to Indianapolis and Chicago were Dr. and Mrs. M. H. Damron. They were accompanied on their trip east by Mrs. Damron's mother, Mrs. Elizabeth Anderson, who has been spending the winter here. In spite of the rain and cold weather, the Damrons report a very enjoyable trip.

The guest speaker gave his listeners first hand information of condition in western Europe. En-

Making up a party who enjoyed the performance of the Ramona Pageant at Hemet last Sunday were Mrs. R. C. Cawthon, Mrs. Len White, Mrs. A. H. Stempel, and Mrs. M. A. Williams. They stopped at Corona on the way home for dinner.

The intermediate troop of Girl Scouts of the Centralia school, with their leaders, Mrs. Al Mittman and Mrs. Billy Swofford, made a trip to Knott's Berry Farm on Friday afternoon, later enjoying a weiner bake at the Mittman home. Attending were Wilhelmina Van Hunsick, Mary Ann Walker, Shirley Swofford, Doris Jean Rouland, Linda Galloway and Louise Stevens.

Mrs. Ralph Damron of Huntington Park arrived on Friday to attend the funeral of an old friend, Mrs. Esther Winters, and remained for the weekend as a guest of the Elmer McWilliams'. She is the mother of Dr. M. H. Damron and one of the early school teachers of the Cypress school.

Mr. and Mrs. Clarence Menges, 8692 Summer place, are the parents of a daughter born on April 14 in the Orange county hospital.

Moving from Santa Ana this week to make their home in Cypress are Mr. and Mrs. James Russell. Mr. Russell is the son of Mrs. Richard Wallace.

Mrs. Emma Ramsay of La Verne was the Sunday guest of her nephew and niece, Mr. and Mrs. A. E. Arnold.

Mr. and Mrs. K. Stamper and family left on Monday for their home in Muncie, Indiana, after spending the winter in California. Mr. and Mrs. Stamper are the parents of Mrs. Curt Tartar.

Rigid Contractor Laws Protect Calif. Public

California has a law that was designed to regulate the construction industry for the benefit of the buyer.

Chapter 9, division 3 of the business and professions code is known as the California contractors license law. The law outlines the procedure to obtain a California contractor's license, classifies the different types of contractors in the building industry, provides for penalties for infractions of the law and has provisions for revoking, suspending or not issuing licenses.

The type of contractors are three in number; a general engineering contractor who has most to do with excavating, road and bridge building, tunnels, etc.; a general building contractor who should be qualified to construct any building that shelters humans, animals, or property of any kind, and the "specialty contractors" or what are commonly known as "sub" contractors.

The law requires that a person must have at least four years experience in the particular field before he will be eligible to take an examination. He must have references from persons holding a contractor's license, a licensed engineer, or a licensed architect. It's necessary to know the provisions of the state housing act, the social security laws, mechanic's lien laws, and the labor code. Questions on all the above may be part of the examination that will be given the applicant.

It is interesting for the general public to know that the penalties are enforced by the registrar and his staff. The law definitely states that he shall "upon the complaint in writing of any person, investigate the actions of any contractor within the state and may temporarily suspend or permanently revoke any license of the holder, while a licensee or applicant hereunder is guilty of or commits any one or more of the acts or omissions constituting cause." The accusation may be filed within two years of the omission of the alleged act as the ground for disciplinary action. That gives the owner plenty of time to make a complaint.

There is a Southern California office in Los Angeles and there are inspectors in the field who work out of that office. Owners who think they have complaints should write the state contractors license board and give the details or they may ask for a form that is available upon request to file a complaint. They may report work that is being done by an unlicensed person who is contracting and it is interesting to note that aiding or abetting an unlicensed person to do work is also cause for disciplinary action.

The law is definite in its requirements—it has teeth. We in Southern California are open to many who are not completely competent as builders in many crafts. There have been many times that people have been "taken" by persons who said they were contractors and didn't know that the state protected them. It is the responsibility of the person to report any infringement of the law and the investigation will be made. It is for your protection.

Friends Help A. T. Minge's Celebrate

More than 100 friends and relatives attended open house on Sunday when the Richard Heitschens entertained in honor of the 45th wedding anniversary of Mr. and Mrs. A. T. Minge, parents of Mrs. Heitschens, the hospitality taking place at the Heitschens home on Savanna street, near Hansen road.

Many lovely arrangements of white and blue flowers made the home festive for the occasion with the anniversary table attractive with gladioli, stock and lilacs arranged with lighted tapers. Individual anniversary cakes decorated with frosted blue forget-me-nots and napkins with tiny blue daisies in the corner further carried out the blue and white color theme. Placed on a side table was a picture of Mr. and Mrs. Minge taken on their wedding day with a bouquet of lilacs fashioned similar to the one Mrs. Minge carried on her wedding day, placed beside it. The bride of 45 years chose a

black crepe dress for the anniversary party, accented by a lovely gardenia corsage. Mrs. Heitschens chose a gray dress and was assisted in hostess duties by the daughters-in-law of the honored couple, Mrs. Lawrence Minge, Mrs. Walter Minge, and Mrs. Arthur Minge.

Gift of the children to their parents was a silver box containing \$45 silver dollars wrapped in blue foil. Many other gifts and cards were received by the celebrants, among them being two dozen American beauty roses wired by Mr. and Mrs. John Ahrens from Illinois. Among those attending the celebration were Mr. and Mrs. Carl Schumacher of Orange, who witnessed the ceremony 45 years ago.

Mr. and Mrs. Minge were married in Covington, Oklahoma, 45 years before coming to California, settling first in Santa Ana and then at their present address nearby.

Later in the evening, a turkey dinner was served by the Heitschens to the honored couple and 30 members of the immediate family.

Here's a job for you
right in your own home!

When you give your house its spring cleaning, check over all your electrical appliances to make sure they are clean and in good order. Here are some tips for the proper use and care of your washing machine and iron:

Avoid overloading. Fold buttons, buckles, etc., inside clothes when wringing. After use, wipe bright parts to prevent rust. Oil according to manufacturer's instructions.

After iron has cooled, wipe it off with damp cloth. Never immerse in water. Keep ironing surface clean. Repair cord at first sign of wear.

LOS ALAMITOS

Karen Faye was the name given to the new little daughter of Mr. and Mrs. Joseph L. Kelly who was born on March 31 at the Los Cerritos hospital weighing seven pounds two ounces.

Mrs. Irma Van Herrewighe left left one day last week by plane for New York City where she will remain for a few days before boarding the trans-atlantic liner for Belgium where she will visit with friends and relatives for three months.

The many friends of Mrs. Otto Turley will be pleased to learn she is home from the hospital and recuperating nicely following a major operation.

Mr. and Mrs. E. C. Carter who operate the Carter Variety store have returned home from a trip to Denver.

Mrs. Sadie Larson, Mrs. Alva Corley and Mrs. Cleo Ard were luncheon guests of Mrs. Eva O'Donnell in Midway City on Saturday. Mrs. O'Donnell is the daughter of Mrs. Larsen.

Ed Vandermale, who has been quite ill in a hospital has recovered sufficiently to return to his home on Bloomfield avenue.

Mrs. E. D. Miller spent Monday at the home of Mrs. Eddie Seigfield in Compton.

Mr. and Mrs. Robert Campbell and small daughter, Nikki Sue, were the weekend guests of Mr. and Mrs. Omar P. Watte in Tulare.

The birthday of Kenneth Sisco was marked by a dinner party given by his sister, Mrs. Imogene Vines at her home at 7642 Santa Fe avenue.

An elaborate birthday cake served both as a decoration and dessert.

The guests were Mrs. Lella Campbell and her grandchildren, Carol and Drew Kirk, Mr. and Mrs. Bud Campbell, Mr. and Mrs. Carl Adamson, Mrs. Lorene Finney, the host couple, Mr. and Mrs. Vines and their daughter, Lila Ruth and the honoree, Kenneth Sisco.

The Sunday School board, of the Congregational church met on Tuesday evening for a pot luck supper.

In the business meeting, when Frank E. Rayburn, superintendent, presided, plans were made for the daily vacation Bible School to be held on June 15, 16, 17, 18, and June 22, 23, 24, and 25.

The children to be invited will be those who are now in the 1st grade and including the 8th grade.

The committee appointed to perfect plans consists of Mrs. Fred R. Dukes, Rev. Paul C. Neerman, Miss Mabel Looney, Fred Dukes, Jr., Frank Rayburn, and Mrs. W. E. Cushing.

The ladies were joined by the gentlemen of the American Legion in a lively session of bingo. Prizes were awarded to Paula Larson, first; Corinne Bryan, second; and Elsie Hasell, consolation. Delicious upside down cake was served with coffee by Zoe Jackson and Evelyn Sutherland. The latter, unable to be present, sent her cakes with her regrets.
